RE: Congressman Al Green Appropriations Requests for the House Appropriations Committee Subcommittee on Transportation, Housing, and Urban Development and Related Agencies.

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Houston Hobby Airport Aircraft Rescue and Fire-Fighting Station in fiscal year 2024. The entity to receive funding for this project is City of Houston, located at 3077 El Camino Street, Houston, TX 77054. The funding would be used to demolish the existing fire station and build a new Aircraft Rescue and Fire-Fighting (ARFF) Station at William P. Hobby Airport (HOU). The project is an appropriate use of taxpayer funds because it will ensure the safety of Houston Hobby Airport., the community, and will usher in opportunities for firefighters, airport employees, as well as create new jobs.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Should you require additional information, please contact my Chief of Staff, Scott Bell, by email at [Scott.Bell@mail.house.gov](mailto:Scott.Bell@mail.house.gov) or phone at 202-893-0438.

Sincerely,

AL GREEN

Member of Congress
