The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-307 United States Capitol Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Missouri City Well Capacity Expansion project in fiscal year 2025. The entity to receive funding for this project is City of Missouri City headquartered at 1522 Texas Pkwy, Missouri City, TX 77489.

The funding would be used to increase the size of a well pump at an existing groundwater well with commendable production capacity. The project would also replace an aging well, which has experienced a decline in production capacity, with a modern well of superior production capacity and quality. This project is an appropriate use of taxpayer funds because it will support economic growth in the Missouri City area.

The project has a Federal nexus because the funding provided is for purposes authorized by section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family. Should you require additional information, please contact my Chief of Staff, Scott Bell, by email at Scott.Bell@mail.house.gov or phone at (202) 225-7508.

Sincerely,

Al Green
