The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-307 United States Capitol Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Perimeter Intrusion Detection System for William P. Hobby Airport in fiscal year 2025. The entity to receive funding for this project is William P. Hobby Airport headquartered at 7800 Airport Blvd, Houston, TX 77061.

The funding would be used to install a Perimeter Intrusion Detection System (PIDS) for William P. Hobby Airport. A PIDS serves as a critical layer of defense against unauthorized access, providing real-time monitoring and detection of intrusions into restricted areas. By installing such a system, Houston Airports can enhance security measures and minimize the risk of individuals moving freely within protected spaces undetected. This project is an appropriate use of taxpayer funds because it will enhance airport safety, capacity, and security, and address environmental issues.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq., and FAA policy and guidance.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family. Should you require additional information, please contact my Chief of Staff, Scott Bell, by email at Scott.Bell@mail.house.gov or phone at (202) 225-7508.

Sincerely,

Al Green

Member of Congress
