A Message from Congressman Al Green

Dear Friend:

Thank you for your interest in an appointment to a United States Military Service Academy. I appreciate you taking the time to contact my office.

To better assist you, please find attached a copy of our application form that should be returned to my Houston District Office for processing. Please note that according to Title 10 of the U.S. Code, there are two nomination categories: (1) Congressional Nomination which includes the nominations of Vice-President, Members of the U.S. House of Representatives and the U.S. Senate; (2) Service Connected or Military-Affiliated nominations which includes the selections of the President and nominations of the appropriate branch of service (i.e. Secretary of the Navy, Army, Air Force, etc.).

*In your completed application, please make every effort to include your letter of interest, high school transcripts, ACT/SAT scores, a short essay, and letters of recommendation. **ALL APPLICATIONS MUST BE POSTMARKED OR EMAILED NO LATER THAN November 18, 2023.***

In addition to completing this application, please contact the appropriate Academy to initiate a pre-candidate file and forward the post card from your high school guidance counselor to them.

After your application is received, our Military Academy Selection Committee will conduct an evaluation to determine whether you qualify for an interview. Only applicants who meet the requirement set forth by each Academy will be interviewed. If you qualify, you will receive written communication from my staff detailing the next step.

Please note that the Ninth Congressional District of Texas Selection Committee plan to conduct interviews between December 8, 2023, and December 16, 2023. The Committee will conclude the nomination process by December 29, 2023. Applicants will be notified of final nomination decisions no later than January 19, 2024.
