Congressman Al Green's Congressional Report

Dear Friends,

Happy Holidays and Warm Wishes as We Gather with Family and Friends, Display Gratitude, and Promote World Peace.

I am honored to serve you in the Congress of the United States of America. It is my immense pleasure to represent the many communities and cultures that make America the Beautiful, a more beautiful America. I commit to continue prioritizing legislation and debating policies aimed at fighting all forms of invidious discrimination, improving affordability, and creating well-paying jobs to overcome the economic challenges of high housing costs, expiring healthcare subsidies, and other necessities of life.

Some of my accomplishments include:

- **3 federal judges I recommended were nominated and confirmed:** Alfred H. Bennett to the United States District Court for the Southern District of Texas, George C. Hanks Jr. for the United States District Court for the Southern District of Texas, and Gregg J. - **Passage of my Reforming Disaster Recovery Act** in the House, a bill which would codify the requirements and objectives of the Community Development Block Grant-Disaster Recovery (CDBG-DR) program, which provides critical funding to those impacted by natural disasters and other extreme events.
- **Passage of my Systemic Risk Authority Transparency Act** in the House, a bill that requires more transparency from our banking regulators in the event of a bank failure.
- **Supported passage of the PRO Act** to strengthen workers rights to unionize and collectively bargain.
- **Having a foundation for the historic impeachment of President Donald John Trump** by bringing the 1st, 2nd, and 3rd Articles of Impeachment against him to a vote.
- **Having recently filed and brought new Articles of Impeachment to a vote** wherein most House Democrats (187) declined to halt proceedings through a motion to table.

- **Passage in the House of H.Res.517 – my Historic Original Slavery Remembrance Day Resolution and introduced the Historic Original Slavery Remembrance Month Resolution** which call for the establishment of Slavery Remembrance Day and month in August of each year similar to other Remembrance events for 9/11, Pearl Harbor, and the Holocaust.
- **Introduced a resolution to create a Cabinet level Department of Reconciliation** to reconcile issues associated with invidious discrimination across the country.
